PHILOSOPHY STATEMENT:

"I support the natural process of childbirth and the right of the expectant parent to make informed choices based on knowledge of alternatives. As an ICEA certified educator I will work with other health care professionals and consumers to promote family-centered maternity care, breastfeeding, and parent-infant bonding. I advocate parental participation in childbirth and the avoidance of medical intervention in uncomplicated labors. I accept as my primary responsibility the preparation of expectant parents, both mentally and physically, to participate in an individually satisfying pregnancy, labor, birth and introduction to parenthood."
